## Dear Mr. Chue

I am writting you in reguards to my Claims to satisfy the requirements for my patent application. I would have had it in three or four week ago if my commications had not been cut off., (bye telephone and bye mail.) I am a citizen and a tax payer of this country and I expect to be treated that way I try to play bye the rules.

plem sending the new Clains hoping this will do the trick, wish me good luck
